

# EXTREME PAI GOW POKER

**EXTREME PAI GOW POKER IS AN EXCITING TAKE ON NO-COMMISSION PAI GOW POKER. YOU'LL FIND IT SIMILAR TO TRADITIONAL PAI GOW WITH A 53-CARD DECK WITH ONE JOKER.**

1. The player must make two mandatory wagers: the Low Wager and the High Wager. The High Wager must be exactly double or the amount of the Low Wager.
2. Extreme Pai Gow Poker also offers two optional wagers: Extreme Pai Gow Bonus Wager and Bonus Wager.
3. The player will receive seven cards. The dealer receives seven cards face down.
4. Each player will then set the seven-card hand into a two-card low hand and a five-card high hand in standard Pai Gow Poker fashion.
5. The dealer reveals his or her cards and sets the hand according to the house's way.
6. All Low and High Wagers are pushed if the dealer's hand is a King-high.
7. Otherwise, the player's two hands are compared to the dealer's two hands, with the house winning copied hands (the standard Pai Gow procedure). Since one wager was placed for each hand, the Low Wager is resolved by comparing the two-card hands. The High Wager is resolved by comparing the five-card hands.
8. There is a \$40,000 maximum payout per hand.
9. Progressive Wager is \$5.
